AEB

PRESS RELEASE

AEB launches free roadshow on SAP®-integrated solutions benefits

- **Specialised solutions to optimise supply chain and global trade processes in SAP®**
- **16th June 2016 in London Heathrow and on 22nd June 2016 in Warwick**

April 11, 2016 **– Good news for companies working with SAP®: Flexible, highly specialised solutions for global trade and logistics can deliver great benefits and increase performance. AEB, as a leading provider of supply chain management software, offers a solution just like that: integrated in SAP®, AEB's ASSIST4 turns business processes into economic engines. Learn more at AEB's free roadshow – registration is open on: www.aeb.com/uk/events/sap-roadshow-registration.php**.

The overwhelming majority of AEB's customers rely on the powerful ERP solutions of SAP®, and turn to ASSIST4 for customs clearance, purchasing and distribution logistics, warehouse and transport logistics, risk management, and greater transparency and performance in their business-to-business partnerships.

To support businesses in optimizing their supply chain and global trade processes integrated in their current system landscape, AEB is inviting companies working with SAP® ERP systems to join two free roadshow events in June. Next to operational efficiency and lowering costs, business benefits further focus on supply chain security through global trade compliance. Online registration is now open for the following events:

- London Heathrow: Thursday, 16th June 2016 from 10am to 4.30pm
- Warwick: Wednesday, 22nd June 2016 from 10am to 4.30pm

The events will center on the following solution areas and discussion topics:

- **Carrier Integration:** Smooth communication with all your transport service providers including label print, EDI, and status messages – integrated in your SAP® system.

- **Logistics Cost and Billing**: Automated calculation of your logistics services and freight costs – based on SAP® data. Flexible calculation and invoicing options for clearances, warehousing, transport services, and more.

- **Visibility & Collaboration:** Get a 360° overview of your supply chain processes – directly in SAP®. Transparency throughout your supply chain and beyond, including pro-active alerts in case of discrepancies.

The program is modular and participants are free to only join the sequences most relevant to them. Seating is limited to enable participants to actively engage and address their individual business concerns. Find out more and register conveniently online, at no cost and without obligation: http://www.aeb.com/uk/events/sap-roadshow-registration.php.

About AEB (www.aeb.com)

AEB is one of Europe's leading providers of supply chain logistics software, consultancy, and services and has been delivering solutions to customers for over thirty five years. The company has over 5,000 customers worldwide, supported by offices in the UK, Germany, Singapore, Switzerland, Sweden, the Netherlands, Czech Republic, France, and the US. AEB's core product - ASSIST4 - is the comprehensive solution suite for all logistics processes in global business. ASSIST4 offers a complete set of business services for end-to-end logistics, including international goods movements, making it possible to standardize and automate business processes in supply chain execution. ASSIST4 also creates transparency and provides a reliable basis for making the right decisions about the planning, monitoring, control, and continual optimization of supply networks - even beyond the boundaries of the business. The ASSIST4 suite offers full functionality via a wide range of modules including Visibility & Collaboration Platform, Order Management, Warehouse Management, Transport & Freight Management, Customs Management, and Compliance & Risk Management.
