Leamington Spa*

Leamington Spa, 20th August 2012 – AEB (International) Ltd is inviting supply chain professionals to attend the Third Annual Compliance and Risk Management Conference, which takes place on Tuesday, 2nd October 2012, in Leamington Spa. Titled “Export Controls: Managing Compliance to your Advantage”, this annual event brings together compliance experts from government, leading consultancies and key industry players.

Organised in partnership with the Chartered Institute of Logistics and Transport, CILT(UK), the conference offers an opportunity to get up to speed on latest regulatory requirements, industry business challenges, best practices, legal implications and solutions. Attendees can learn how to best manage regulatory compliance to their businesses’ advantage, identify solutions to maximise both supply chain compliance and efficiency, and network with industry peers. The following speakers have been confirmed:

- **Export Controls and Regulatory Compliance**
Jeannette Rosenberg, Head of Special Casework, Export Control Organisation Licensing Unit
- **Non-Compliance Implications: Legal and Financial**
James Robinson, Associate, Baker & McKenzie
- **Global Trade Compliance in the Supply Chain**
David Hayes, Director, David Hayes Export Controls
- **Business Challenges to Maintain Compliance**
John Graham, Commercial Manager Armoured and Military Sales, Land Rover
- **The Role of Software in Supply Chain Compliance & Risk Management**
Hannah Beckett, Sales Manager, AEB International
- **CILT (UK): Latest from the Institute**
Daryl Chesney, Business Development Manager, CILT(UK)

The conference will take place on Tuesday, 2nd October 2012 from 10 am to 3.30 pm at the Mallory Court Hotel, Harbury Lane, Leamington Spa, Warwickshire CV33 9QB, Tel. 01926 330 214, URL: www.mallory.co.uk.

Beverages, snacks and a complimentary lunch will be provided. Attendance is free for CILT members, and non-members will be charged a £20 administration fee. Payments can be made by cheque, credit card or via the BACS system.
